MEYLE No. Reference No.

Control arm, left 116 050 0044/HD 4F0 407 693 H

Control arm, right 116 050 0064/HD 4F0 407 694 H

Control arm bushing 100 407 0095/HD 4F0 407 183 C

Control arm to fit Audi A6

as OE

Problem

High dynamic stress in the lower rear control arms

Effect

Play in the ball joints and noise at the front axle

Solution

- Use of extremely long-wearing plastic ball joint sockets (in aviation tried and tested material)
- Supplied with high-quality mounting parts (hex nut with captive washer)

Advantage

High-quality components with longer service life

as OE

MEYLE-HD version
